National Conference on Aging and Mobility

The Maricopa Association of Governments, in collaboration with over 30 metropolitan planning organizations, national nonprofits, and government agencies, are hosting a National Conference on Aging & Mobility. This conference is the first of its kind in regards to mobilizing local and regional governments, transit agencies, and community-based organizations in taking a proactive approach to the coming age wave.

Don't miss this conference if you represent a:

Local Government, Metropolitan Planning Organization,
State Department of Transportation, Provider of Aging Services,
Public Transportation Agency, Local, State, or Federal Policy-
Making Body or a Concerned Citizen.

March 25-27, 2002

Doubletree La Posada Resort

4949 East Lincoln Drive

Scottsdale, Arizona

Conference Topics

- Transportation Planning/Design & Project Development
- Senior-Friendly Development Planning
- Alternative Transportation Modes
- Older Driver Issues & Programs
